SUSTAINABILITY POLICY

In OCASA we understand the economic development must be in harmony with the appreciation, conservation, and protection of the environment. Also, we are convinced that the best way to contribute to the sustainable development is through the promotion of actions aimed at minimizing the impact on natural resources and outreach activities to the communities in which we operate.

As well, we believe that our responsibility for sustainable development transcends internal actions, which is why we seek the commitment of our clients and suppliers in order to achieve a sustainable management through a series of joint actions..

Our commitment is based on:

- Apply the best environmental conservation practices, minimizing and compensating the impact that our operations generate on the environment.

- Promote the responsible and efficient use of natural resources and productive materials in accordance with the standards and good practices established in the matter.

- Promote the responsible and efficient use of natural resources and productive materials in accordance with the standards and good practices established in the matter.

- Promote the minimization of residues and generated waste, thus reducing the impact caused through its final disposal in landfills.

- Prioritize the contracting of local suppliers for goods and services, in order to contribute to the development of the community from each site. Under equal technical and economic conditions, it is our commitment to hire those companies that stand out due to sustainable management and care for the environment.

- Promote the purchase of materials from renewable sources, and select those that provide greater durability and generate recyclable waste.

- Encourage our suppliers to adopt measures to minimize the negative impact on the environment.

With these objectives, OCASA ensures that our collaborators, clients, and suppliers are active and participative agents of the effective implementation of this Policy in all the activities that the company carries out.
